

Aerial Photographs
St. Paul Island, Alaska

Date: July 14, 1948
Takeoff: 10:30 am
Landing: 12:35 pm
No filter

Note: 21 selected negatives* were accessioned by the Division of Information, as follows: 14, 16, and 17 (Little Pol.); 193-201 (Tolstoi); 203-204 and 208-214 (Zap., St. Paul). These were given FWS nos. 400-420 and returned to Seattle on 9 June 1949. An 8x10 print of each is filed under Population, Field Studies, 1948.

**Returned to Washington DC, 4 Dec 1950.*

Run	Altitude	Direction of run	Negative #	Photo date
(1)	1000'	Toward NW	1	Small corner of Vostochni Rookery showing seals and sea lions
(2)	1000'	Toward S	2	Small corner of Vostochni Rookery SW end
